

We believe in creating new and exciting opportunities

Build a career by utilising your existing skills and experience.

The implementation of the National Disability Insurance Scheme (NDIS) is providing significant opportunities for skilled and experienced workers in disability and community support services.

Carers Queensland offers eligible students subsidised training under the Queensland Government's Certificate 3 Guarantee Program.

We are there for you, every step of the way.

This program has been designed to fit your busy life - we will support you to get qualified and ready to start your new career.
